

INSTRUCTIONS

Ceiling lamp 6 rotating arms

1. Unpack without using any cutter or scissor because of possible scratches. Release the packaging of reflectors without removing it completely.
2. Fit the 2 big arms to the base then screw the 2 brass nuts inside the base.
3. Connect the 6 electrical wires together.
4. Connect electrical wires then fix the lamp to the ceiling.
5. Remove completely the packaging.
6. Screw the 6 hexagonal brass screws. Before moving the arms, the screw must not be tightened otherwise painting could be damaged.
